Blues Boulevard continues to give back to the community.

On Thursday, November 19 at 6:00-8:30PM, Blues Boulevard will be hosting the reception and auction for "Art, Heart, and Hope: A Matter of Time" in partnership with Greenville Technical College's Phi Theta Kappa Honor Society and Riverworks Gallery.

Please join us for an unforgettable evening of hope and inspiration, as we help to raise awareness and funds to benefit youth in our community and establish a scholarship fund for Greenville Tech students who have experienced foster care.

The art exhibit will be open to the public on November 18-22 at Riverworks Gallery (located next door to Blues Boulevard). The exhibit will feature artwork by accomplished local and nationally-recognized artists, providing a visual interpretation of poems and stories of Greenville Tech students who have overcome numerous traumatic experiences and somehow held on to hope.

All proceeds from the auction will go toward helping youth in foster care to find permanent, loving, adoptive homes, as well as fund a scholarship for students who have been through foster care to continue their education at community college. Please support the cause.
