## YOLANDA RABUN

SATURDAY, APRIL 12 / 9:30PM

Yolanda Rabun  
www.yolandarabun.com

### \$5 COVER

Singing soulfully with power and a natural story-telling instinct, Yolanda Rabun stuns and transforms audiences because Yolanda sings with probing intelligence and passion. Her vocal flexibility and range earn high marks for taste, inventiveness and power. Phrasing is always sophisticated, and she is not afraid of taking risks. Yolanda handles all styles of music, although she favors jazz, across nearly three octaves with sensibilities that stem from years of vocal instrumental performing.

Yolanda Rabun is every woman. A wife, mother, business person and artist extraordinaire, the Atlanta native's biggest challenge is finding downtime between juggling music, acting and legal careers, motivational speaking engagements and family life. It is a convenient challenge Rabun relishes, and considering her energetic personality and vivacious spirit, it is one she overcomes easily.
