## - JAZZ APPRECIATION MONTH - BLUES BOULEVARD JAZZ FOUNDATION

Greenville Sings is now accepting contestant applications for 2016. The talent search has begun! This year, in addition to the adult competition, Greenville Sings will be reaching out to one local school to host a youth voice competition. As a part of the Blues Boulevard Jazz Foundation, Greenville Sings is committed to offering a creative platform to individuals of all ages where they can perform and excel. It is going to be an exciting year, both for the audience and the contestants! If you or someone you know deserves a stage, participating in Greenville Sings is an amazing opportunity to make that dream a reality.

### OUR MISSION

The mission of Blues Boulevard Jazz Foundation is to entertain, enrich and expand a global community for jazz through performance, education and advocacy. We believe jazz is a metaphor for Democracy. Because jazz is improvisational, it celebrates personal freedom and encourages individual expression. Because jazz is swinging, it dedicates that freedom to finding and maintaining common ground with others. Because jazz is rooted in the blues, it inspires us to face adversity with persistent optimism.
